

1. Somewhere by the Adriatic

There is a country surrounded by the sea

Which looks like a shoe.

It is also famous for delicious food,

for we have all eaten pizza

and Italian cheese

*Ref. Rome is the capital city known to everyone
which went down in history.*

If you want to spend your holidays in Italy

Don't forget to go sightseeing

And eat pizza.

2. In the history lessons you will learn

About the great Caesar, father of the republic.

It was the Romans who showed the world

How to build roads and waste no time.

Ref. Rom is...

3. It is worth mentioning that it is thanks to the Romans

that people know saunas and baths now.

They were able to build huge aqueducts

and the water reached everyone.
